# CODE AND COMMITMENTS

## How We Build Trust

*Forest Service employee conducting a timber sale. USDA Forest Service photo.*

As employees of the Forest Service, we must be trusted to “do right” in how we treat each other as colleagues and how we engage with people and communities we serve. When we do, we increase trust and inspire others to engage with us.

**Our code is grounded in our core values. We live them by:**

- Treating Everyone With Respect
- Empowering One Another
- Investing in Relationships
- Modeling Integrity
- Protecting One Another
- Learning From Mistakes

For more details about our our code and commitments, please visit
